## **FAQs:**

1. The programs show a specific grade range. Can we enroll our child in a program if she is not within that grade range? E.g. the FUNancial Freedom Game shows for grades 5-6 students.

Answer: The grade range shown for our programs are flexible. Because we want your child to have the best learning experience in our programs, we suggest you contact us at 905-882-3130 or [info@knowledgemakescents.com](mailto:info@knowledgemakescents.com) to determine which program is the best fit for your child.

2. If my child is not a Spirit of Math student, can he enroll in the Knowledge Makes Cents program at the Spirit of Math location?

Answer: Yes definitely! We welcome your child to enroll in our program(s). Your child does not have to be a Spirit of Math student nor need to enroll in the Spirit of Math programs.
